## **Special Kudos**

Wow what a great Fair. There are so many to thank for making the Fair run so well. A special thanks to all the Superintendents and Jr Superintendents for putting in countless hours before and during the fair, thank you judges for donating time and taking time to encourage our 4-Hers to strive for more. And thank you members and parents for helping with set up and tear down, keeping the barns looking good, and being ambassadors for 4-H to the public.

Overall I saw a great spirit of generosity amongst the members, kids helping each other out, making each other feel welcome and especially saw many Sr members helping their Jr counterparts. I was proud to hear comments from the public about it as well. It was great to see the barns and indoor almost completely done by 10 am on Sunday, giving the kids and some good-sport-superintendents some time for a little water fight. Fantastic job everyone. Thank you.

### Gardening

First of all, let me say how amazing you gardening kids are! Fair projects were creative, fruitful, and educational well beyond our judges' expectation. Your projects have encouraged members of our community and other 4Her's to 'get their hands dirty' next year and give gardening a try. Thank you!

This month we are exploring the Farmer's Market in Helena to find out what people do with all their extra produce. We will meet at the corner of Fuller and Placer in front of the Blue Cross buildings at 10:30 am on Saturday, August 16. Everyone is invited to join us, hope to see you there!

Next month we will be volunteering out at Tizer Gardens, so get your gloves out and be ready to work. This will be a hands-on experience and an excellent opportunity to see the gardens up close and personally. I will have more details in next month's newsletter after scheduling our date and time.

If you have any questions or comments for gardening, please call Amanda Saraco at [507-520-0290](tel:507-520-0290), or email me at [asaraco@netzero.com](mailto:asaraco@netzero.com).

### Beef

Hello Beef kids!

Congrats to Aly for Grand and TateLynne for Reserve Champion!!! Congratulations to all of you for your beef projects this year. You all did well and should be proud of what you accomplished with your project. We had a number of breeding projects as well which was great to see. Keep up the good work! Also, thank you to all the kids and parents that helped at the fair this year. Seems like things went very well!

Hard to believe, but it's time to start thinking of next year's project already. The beef market is at an all time high right now. You may be looking at \$1400-\$1700 for a market steer calf so you'll need to budget accordingly. With these high calf prices, you can't afford to not feed it out properly as well. So be sure to factor adequate feed into your budget. Also, contact your breeder soon to line up a steer for this fall.

We will attempt to have a hand's on workshop to go over steer selection. If we do it at our place, it won't be till the middle of November, which may be a little late for some of you. If you need help

or ideas, let us know. We could possibly do a workshop with photos to give you ideas of what to look for in early Oct. Stay tuned for more on this.

Lastly, be sure to thank your buyers as soon as you get your photos. Take a little extra effort to meet with them, shake their hands and give them a sincere “thank you”.

Enjoy the rest of your summer!

### Dog

It's hard to believe fair has been here and gone! Thank you everyone for your continued commitment to your dog project, assistance with fair set-up and tear down, and being more interesting than dirt. Everyone did a wonderful job showing their dogs and what they have learned with their projects this year. A GREAT BIG THANK YOU to Wendy Brenden for her years of leadership, project vision, dog and 4-H knowledge, and commitment to a very worthwhile project. We will miss seeing her next year and are hopeful that she will be checking in from time to time. I'd also like to take a moment and thank Bill and Laurie Sullivan, Peggy Duezabou, Deirdre Kane, Thea Sperline, Rita Munson, and Catherine LeCours for volunteering their time and canine expertise over the past year and look forward to working with them this coming year.

Please stay tuned for upcoming dates for an End-of-Year Dog Project Potluck as well as we will need help with the return of the agility equipment to the BHB in the coming weeks via email.

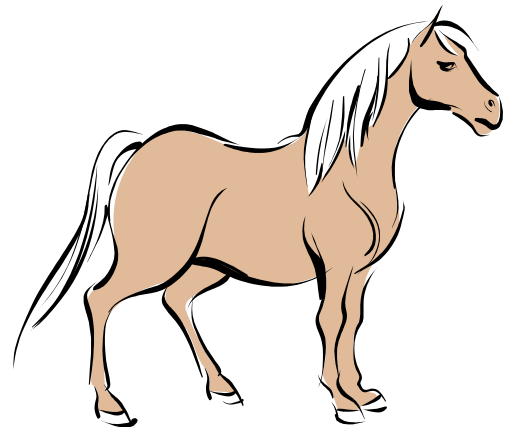

Please email Karen Bratlien at eatnsleephorses@yahoo.com with any questions or concerns. I look forward to leading the project next year and getting to know all of you better. Thank you again for your support and commitment to the project!

### Round Robin

Round Robin results are posted on the website under the Fair tab.

### Swine

With the fair now over I just wanted to drop you all a note and say THANK YOU! I had lots of folks come up to me during the fair and say that the barn looked good and even smelled good(well as well as a pig barn can smell). I will be the first to admit that it was all of you that did that and I let those folks know that as well. I also wanted to thank all of you for showing up both at set-up and at tear down making both of those tasks go quickly. You should all be proud about the outstanding good you all did on your pig projects. Now that fair is over let's make sure we get our books done and turned in. Now I say we enjoy the rest of summer. Thanks again for all of your hard work this year. As always if you have questions contact David Hamilton at 431-1948 or email at
